

QA Intern

At Neo, we strive to remove the friction and anxiety of everyday spending and saving by bringing together thoughtful technology, beautiful design and challenging the status quo. We're trailblazers who believe you can live life to the fullest when you're not worried about your financial well-being. That means chasing after your wildest dreams on top of your everyday life and not once, ever looking back.

We are looking for an enthusiastic intern who wants to jump onboard to help build a leading-edge tech company. You will experience the ins-and-outs of a fast-growing startup with the opportunity to make a real difference. You will get to learn and work alongside high-performing entrepreneurs in a fast-paced, innovative, and rewarding environment.

Neo is looking for a QA Intern to join the team in Winnipeg. You will be writing, updating, and executing test plans for our customer-facing mobile apps. You'll be responsible for reporting any bugs, inconsistencies, or unexpected behaviour you find to ensure our customers have a world-class experience every time they use Neo.

This is a full-time 4 month term starting January 2021, with the possibility of extension to 8 months. Plus, an internship can often lead to a permanent position within Neo Financial! Join our team today to gain real hands-on experience that shapes the next generation of business.

This internship is open to post-secondary students who are returning to full-time or part-time studies in summer 2021. Candidates must be located in Winnipeg, or open to relocate for on-site work.

Who we're looking for:

- You are a clever, passionate, and personable individual with a passion for technology
- You are incredibly driven and hungry to learn
- You have great attention to detail
- You have that entrepreneurial spirit who is innovative and resourceful
- You are a strong team player who can excel in a fast-paced environment
- Basic programming skills is an asset as you will be involved in test automation

We are looking for someone who can wear multiple hats that will go the extra mile. You will jump in wherever needed in the product, development, operations or marketing space.

What it's like to work with us:

At Neo, you'll be working with industry-leading technology that changes the way we live and realize a better financial future. It's a serious deal, but that doesn't mean we don't know a thing or two about having fun. Our entrepreneurial environment gets our adrenaline pumping and beats

the regular 9-5 job. We're in it together, always. Gain hands-on experience and be part of the future.

About applying with Neo:

Neo Financial is an equal opportunity employer. We are excited to meet with and hire the top talent out there. We appreciate your interest in working with us; however, only those applicants selected for interviews will be contacted. Successful candidates for this position will be required to undergo a security screening, including a criminal records check and may require a credit check.
