

To support our team in Zurich we are looking for a Health, Safety and Environment Manager (f/m/d – 80-100%)

Climeworks empowers people to reverse climate change by permanently removing carbon dioxide from the air. Our vision is to inspire 1 billion people to be climate positive.

We develop, build and operate direct air capture machines that remove carbon dioxide directly from the air. The air-captured carbon dioxide can either be recycled and used as a raw material, or completely removed from the air by safely storing it.

We are an international team with diverse backgrounds. What unites us is our determination to build a climate-positive world. Want to help us achieve that?

Your responsibilities

- Your mission is to build as well as maintain processes and tools to ensure the health and safety of all our Climeworkers as part of a dedicated Health, Safety and Environment team (HSE).
- You ensure legal compliance with relevant HSE regulations for all entities of the Climeworks group.
- You develop and implement a sustainability concept for all entities of the Climeworks group.
- Within this context, you are also responsible for special topics such as e.g. hazardous substances management as well as related processes and training.
- You implement and conduct necessary HSE trainings and ensure a continuous HSE training concept.
- You are an expert in your field and collaborate closely with our operations, technology and legal & regulatory team to fulfill your mission.

Your profile

- You have at least 3 years of work experience in a similar role, ideally with a strong background in environmental management systems & hazardous substances management.
- You completed further education as a specialist for occupational safety and health protection.
- You have a structured and independent working style, an eye for details and you think and act solution-oriented.
- You are able to adequately communicate with all stakeholders.
- You are known for your reliability and trustworthiness and passionately live up to be an HSE role model.
- Are you fluent in English and German on top of that? Then we are really keen to get to know you.

Are you interested? Then please fill in the online application form and upload your complete dossier to our careers portal: <https://www.climeworks.com/careers>. Feel free to give us a call on +41 44 533 29 99 if you have any questions.
