

ACCOUNT MANAGER

6P Marketing, one of Winnipeg's largest marketing firms, is looking for an account manager. 6P empowers entrepreneurs and brand leaders to share their passion with well-designed, professional communications. Join a leader in the field of marketing and advertising communications. While our office has grown, we've stayed true to our founding vision and values – good people helping good people do great work!

Work-life balance is essential to us, so our team-members typically work a 40-hour week, which is not the norm in our industry. Proper work-life balance starts with a healthy workplace.

We are looking for talented individuals to join our growing team. As our firm continues to grow, there is an opportunity for advancement in this role.

YOU

You are a client-focused, open-minded individual who is always looking to exceed expectations for small and medium to large clients looking for fair value and above-standards service.

You are a dynamic marketing professional who thrives on partnering with clients. If you are looking to break out of the status quo by joining a company where you will have the freedom to put your stamp on the organization – this may be the place for you!

While we appreciate all interest, for this role, we are looking for individuals with this experience already, who can 'hit the ground running.'
