

## **JOB DESCRIPTION:**

### **Automotive Technician - Top pay, exciting growth, modern equipment and fun environment.**

Are you an Automotive Technician that's tired of not feeling fulfilled or appreciated at work?

Would you like to earn above average pay while using your valuable skill-sets on some of the most exciting cars in the industry, with modern equipment in a fun environment?

Ask any one of our team of respected and highly regarded Automotive Technicians what they enjoy most about being a part of the Murray Hyundai Winnipeg team, and they'll tell you it's feeling like a real family. It's feeling appreciated and fulfilled. It's about the camaraderie, fun and opportunity for growth. It's actually many things that make being an Automotive Technician at Murray Hyundai Winnipeg a place where you don't feel like you're just "working".

Murray Hyundai Winnipeg is a family owned company that has been in business for 10 years and believes in quality, integrity and teamwork. We are currently in the process of significantly expanding and are searching for an Automotive Technician to enhance our amazing team.

If you're not from the Winnipeg area, Winnipeg offers an amazing variety of benefits to living here. Very low cost of living, affordable homes, reasonable car insurance, beautiful warm summers, sunny winters, beautiful parks and lakes, a wide variety of festivals and some of the best restaurants in North America. We're also conveniently located only about an hour from the U.S. border.

#### **As part of the Murray Hyundai Winnipeg team you're sure to appreciate:**

- Working in our modern service bays
- Receiving comprehensive training
- Being part of a respected family company
- Receiving a competitive salary with bonuses based on performance
- Receiving a full range of benefits including a company pension plan
- Having opportunities for professional development and factory training
- Having opportunities to grow within 30 Murray dealerships across Canada
- Earning up to 4 weeks paid vacation
- Employee vehicle discount plan.
- Working in a professional, energetic, and fun work environment

#### **Responsibilities:**

- Diagnose and perform vehicle maintenance and repairs
- Inform Service Advisors of vehicle maintenance/repair requirements and assist in the development of an effective customer consultation
- Check and verify parts before installation
- Help mentor junior apprentices and coach others to be the best in the field

# JOB REQUIREMENTS:

**The ideal candidate will have:**

- A valid driver's license with a good driving record
- Experience as an Automotive Technician
- In depth knowledge of and background in technical diagnosis and repair as well as electrical systems
- A/C licence as an asset
- Have great communication skills, written and verbal
- Take on challenges with a can-do attitude
- Take pride in your work and pay attention to detail
- Enjoy a busy, but well-structured workshop environment
- Have strong organizational and prioritization skills with an ability to multitask
- Be self-motivated, take initiative and work unsupervised
